BANGALORE, THURSDAY, OCTOBER 25, 1900.

## PART IV. OFFICIAL PAPERS.

Season Report for the Week ending with the 42nd Saturday in 1900 (20th October).

District and Station.	Rainfall.										Price of food grains in seers per rupee; and market fluctuations in prices of food grains.	Market how supplied.	Progress of agricultural operations, state of standing crops, prospects and probable outturn of harvests, serious damage done to crops by insects or other natural calamities.	Prospects of season; tracts in which the rainfall has been insufficient; areas affected by scarcity, number of people under relief, and state of food stocks.	Public health.	
	This week.		Last ten years' average for the corresponding week.		Up to the end of the week from 1st January 1900.				Excess (+) or defect (-) of column 4 compared with column 5.							
	I.	c.	I.	c.	I.	c.	I.	c.								
1	2	3	4	5	6	7	8	9	10	11						
Bangalore C. & M. Station, City & Taluk.	I.	c.	I.	c.	I.	c.	I.	c.	I.	c.	This week. Seers.	Past week. Seers.	Well.	Standing crops are reported to be in good condition, especially so in the Kankunhalli taluk. The later sowings of ragi require more rain all over. In parts of Hoskote paddy was sown during the week.	Prospects are good and there is slight fall in the price of ragi in the Bangalore market.	Generally good. In parts of Hoskote and Devanahalli fever is said to prevail.
Hoskote	1	95	1	5	28	13	27	56	+ 0	57	Rice 7	7.				
Chikballapur	1	85	1	72	19	54	23	24	- 3	70	Ragi 13	12.				
Chikamangala	1	80	1	21	17	49	25	41	- 7	92	(Eleusine corocana.)					
Chikanhalli	1	87	1	90	27	89	29	47	- 1	58	Horse-					
Chikagadi	3	53	1	64	25	3	25	85	- 0	82	gram 10½	10½.				
Chikannapatna	3	90	1	80	30	23	28	24	+ 1	99	(Ciser arietinum.)					
Chikannapattana	2	31	1	67	32	27	29	37	+ 2	90						
Chikankal	2	91	1	83	31	33	29	31	+ 2	2	Jola 12½	...				
Chikvanhalli	1	34	1	3	20	44	25	71	- 5	27	(Sorgum Vulgare.)					
Chikosepet	3	73	1	52	28	91	29	28	- 0	37			Do	Horse gram is being sown in Kolar and Malur taluks. Same is being harvested in Kolar, Sidlaghatta and Srinivasapur taluks and in the Gudibanda sub-taluk to some extent. Dry crops are withering in parts of Kolar, Sidlaghatta and Srinivasapur taluks for want of rain.	More rain is wanted in parts of the district. Food stocks are available in sufficient quantities, but prices continue high.	Generally good. Small-pox is reported to be prevalent in parts of Malur and fever in Baggepalli taluks.
Kolar	1	82	1	91	19	66	22	22	- 2	56	Rice 7½	7½.				
Chikwringpet	1	6	1	5	27	18	20	67	+ 6	51	Ragi 12½	12½.				
Chikintamani	1	25	1	31	25	75	20	82	+ 4	93	(Eleusine corocana.)

Fairly supplied, but the prices have risen.

Well.

Do

Do

Do

Well.

Standing crops, viz., paddy, ragi, horse gram, black and green grams, castor, togar, arava and chillies, are reported to be in good condition. Hatchellu and tobacco in the Hunsur taluk and sugar-cane in the T. Narsipur taluk are being sown.

Standing crops, viz., paddy, sugar-cane, dodda-ragi, horse gram, pigeon-pea, castor, chillies, wild gingelly and same in Hassan; paddy in Manjarabad; paddy, sugar-cane and dodda-ragi in Belur; ragi, sugar-cane, horse gram, castor and cow gram in Arsikere; paddy under channels, horse gram, cow gram and wild gingelly in Channarayana, dodda-ragi, paddy and castor in Hole-Narsipur, paddy and horse gram in Arkalgud, and dodda-ragi, paddy, horse gram, cow gram, pigeon-pea and wild gingelly in Alur, are reported to be in good condition. "Hala batta," wild gingelly, castor and chillies in Hassan, gidda-ragi and coriander in Hole-Narsipur and ragi in Arkalgud are being harvested. Black and green grams fenugreek and coriander are being sown in parts of Arkalgud.

Standing crops, viz., paddy, green and black grams, ragi, cotton, pigeon-pea, wheat, sugar-cane, navane, chillies, castor, sesham, jola and Deccan-hemp are reported to be in good condition. More rain is needed for dry crops in the Channagiri taluk. Ragi is being harvested in Honnali, Shikarpur and Sorab taluks.

Beagat gram in parts of Tarikere, coriander, sugar-cane, fenugreek and horse gram in Chikmagalur, coriander, wheat, jola and onions in Kadur are being sown. Jola in Tarikere, jola and ragi in Chikmagalur, cardamom in Sringeri are being reaped. Mustard in Chikmagalur is being harvested and areca is being picked in parts of Kadur and Yedahalli.

Jola, ragi and black gram in the Chitaldrug taluk, sesham, jola and green gram in the Hiriyur taluk, jola and cambu in Jagalur and Molakalmuru taluks, and ragi, jola and Italian millet in Holalkere and Davangere taluks were harvested. Jola in Holalkere, Molakalmuru and Chitaldrug taluks were sown.

Prospects are generally good. Food stocks are available. No relief is needed.

Prospects of season have improved. Food grains are moderately available. Relief works not required. Some tanks in Kasba Gubbi and Doddakad-nur hobbles of the Hole-Narsipur taluk have not received sufficient supply of water.

Rains have been ample and the prospect throughout the district is favorable. Food stocks are sufficient.

Recent rains did immense good to the standing dry crops in the Kadur taluk. No scarcity is felt in the district. No relief work is necessary.

The standing crops are reported to have been slightly improved by recent rains, except in parts of Harihar and Davangere taluks where they are fading for want of rain. More rain is wanted to feed tanks. Food stocks are reported to be sufficient.

Generally good. In some parts of the Hunsur taluk, small-pox is reported to be prevailing. Cholera is abating in Belakavadi.

Generally good. Small-pox is reported to be prevalent in parts of Manjarabad; fever, cough, cold, headache and dysentery in parts of Arkalgud.

Fair

geri. are suffering from ague. parts of Mudgere, and Yedahalli and from small-pox in Harihar.

Generally good. Fever in parts of Hiriyur and small-pox in Davangere taluks prevail.
